

# Tired of Pissing Your Money Away on Local Advertising?

"83% of U.S. households now use the Internet as an information source when shopping locally for products and services... the Internet will soon surpass newspapers as a local shopping information resource." Source: The Kelsey Group

## “Having A Five Page Ad On Google Will Help You Get More Local Customers”

We make it easy. Let us take on the burden of online advertising for you so you can get back to running your business and taking care of the extra customers we'll be sending your way.

- 📍 **Quick & Easy** - Get your site up and running in less than 48 hrs.
- 📍 **Get Found** - Over 80% of consumers use the internet to search for local businesses. Get found in the major search engines and local directories.
- 📍 **Sell More** - Meet your local customers at the time when they are ready to purchase.
- 📍 **Affordable** - LocalAdPower sites start at \$197/mth
- 📍 **Service** - Need someone to talk to? We offer phone, email, and live chat support.

Local consumers are searching for your products or services right now! Are they finding you? At LocalAdPower, we'll make sure that they do.

Give us a call and let us take a look at your business. Find out for free exactly what we can do for you. We think you'll be pleasantly surprised at how much we can do within your budget, no matter what size it is. We'll be straight up honest with you. If we can't help, then we'll say so.
